Colours of the Rainbow - for YR and KS1

Hampshire
County Council

Colours of the Rainbow

KS1

Do you know the colours of the rainbow?

(click to find out if you are right)

Red

Orange

Yellow

Green

Indigo

Blue

Violet

Can you sing a rainbow?

Click to [Sing a Rainbow](#)

Learn the makaton signs for the colours in
[Sing a Rainbow with Mr Tumble](#)
[and Sing a Rainbow with Fairy Sarah](#)

You can practise the song lots of times click here
[Sing a Rainbow with words on repeat](#)

I can sing a rainbow

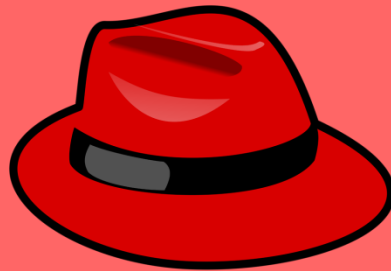

Can you sing the colours verse off by heart?

Can you add the makaton signs as you sing?
(Go back and watch Mr Tumble or Fairy Sarah again)

Why don't you film yourself on the iPad and send it to
some family members or just perform live for your
family

Rainbow colours are everywhere

How many red things can you think of?

Click three times to get started

Draw or make a list of red things, look round the room you are in or out of the window. You could use a red pen or crayon to make your list

Rainbow colours everywhere

Can you find something to match every colour of the rainbow?

Listen to this [Rainbows Colours Song](#) for some ideas

Why not make a list of things for each colour of the rainbow

A rainbow of fruit and vegetables

Can you think of a fruit or vegetable for each colour of the rainbow?

Here are some to get you started (click 6 times)

Make a rainbow of fruit and vegetables

Can you make a rainbow of fruit and vegetables?

You could draw some pictures

or cut some pictures out of a magazine

or even use real fruit and vegetables
(if you do this one take a photograph of it)

BUT always ask a grown up to help you

Let's make some **rainbow** music -

To make a rainbow there needs to be **rain** and **sun** together

SO.....

To make your rainbow music you will need a **rain sound**, a **sun sound** and a **rainbow sound**

Click on each sound in turn then choose your favourite rain sound, sun sound and rainbow sound

To make your rainbow music play the sounds one after the other or all at the same time to create your rainbow music

e.g. rain 1 + sun 2 together for a count of 5, then add rainbow 1 for a count of 3, then stop the sun, stop the rainbow, stop the rain

Choose one of these

rain sounds

rain 1 or rain 2

Choose one of these

sun sounds

sun 1 or sun 2

Choose one of these

rainbow sounds

rainbow 1 or rainbow 2

Now for a bit of science and some facts about rainbows

Click on this link to hear

[Dr Binocs explain how a rainbow is formed](#)

And click on this link to read some interesting

[Rainbow facts](#) (ask a grown up to read some facts for you if there is too much writing!)

e.g. Did you know rainbows are a full circle?

Here are some more songs about colours
for you to enjoy listening to

Here is another song about the colours of the rainbows for you
to listen to and join in

[Rainbows Colours Song 2](#)

Look at your lists, drawing and photos as you listen

What is your favourite thing of each colour of the rainbow?

Click here for a song called [Rainbow Connection from Kermit the Frog](#)

Listen to this song all about lots of different colours

[Look at All the Colours I can See](#)

A large, vibrant rainbow-colored circle is centered on the page. The circle is composed of multiple concentric rings of color, including red, orange, yellow, green, blue, and purple. The background of the entire image is a smooth gradient that transitions from a bright pink at the top to a deep blue at the bottom. In the center of the rainbow circle, the text "Congratulations you can sing, play and make rainbows!" is written in a bold, white, sans-serif font.

**Congratulations
you can sing, play and
make rainbows!**
