

In school, children are encouraged to 'dot it, don't dodge it' if they are unsure of a spelling. This means that the flow of their writing is not interrupted and they know they need to check the spelling when it is a suitable time to do so. Children are encouraged to use a 'purple-polishing pen' to edit their writing. The words in this leaflet are the statutory word lists that the children are expected to spell correctly every time they use them in their writing to be assessed at Age Related Expectation at the end of the academic year. Please try to encourage your child with the same approach and the same expectations in any home learning.

Please practise the spellings in the exercise book provided.

There are many different ways to practise. Above all, try to make it fun and memorable. In school, your child will also learn further ways to practise their spellings and should be able to share these with you as the year progresses.

We will give you further ways to practise spellings each term.

Please also use Spelling Shed to support your child. Your child will have a log in for this site.

Year 5/6

Summer Term

(You can use the Autumn and Spring Term strategies as well!)

How to help your child with their spellings:

- Read the spelling strategy aloud with your child.
- Talk to your child about the spelling pattern before they start. If you aren't sure about the spelling pattern, ask your child's teacher.
- Join in with the session and make it fun.
- Draw your child's attention to the spelling or words in books and texts throughout the day as you encounter them. Spelling can be taught at any time!
- Adapt any of the resources and materials as you feel necessary to support your child's needs.

Left Hand / Right Hand

Write your spellings with your writing hand then write them again with the other hand. Can you write a word with both hands at once or can you write it backwards?

Try this for words with a soft c

How to use:

- Read the spelling strategy card.
- Select a spelling or letter pattern—either from the Statutory word list (either side of this list and overleaf) or a word you have been given to spell.
- Complete the strategy independently (your child will have practised this in school first) or with adult support.

Equipment needed:

- Paper (use the spelling book)
- Coloured pens or pencils
- Computer, but not essential
- Clock to use as a stopwatch—add an element of timing for extra challenge!
- A ball!

Colour Coding

Write the word using a different colour or a highlighter for the vowels (a, e, i, o and u).

Arrive

Now try highlighting the consonants...

Appear

Try this for words with unstressed vowels
