SCHOOL NAME: Chawton CE Primary School

ANNUAL CONSENT FORM FOR SPECIFIC OFF-SITE LEARNING

Throughout the year the school organises a number of routine visits and journeys away from the school site as part of the children's learning experiences. Such visits take place during the school session times and tend to be local to the school area.

Visits and journeys during the school day are an extension to their classroom activities and present no significant risk to the health and safety of the pupils.

All visits and journeys away from the school site must be approved by the Headteacher.

The purpose of this consent form is to enable parents/guardians of children at the school to give their permission for their child to participate in frequent, local, curriculum focused visits and journeys away from the school during the school day.

This consent will allow your child to leave the school site for a local visit on several occasions without having to sign a separate consent form for each visit.

Examples of such visits are:

- Use of our school garden and the grounds at Chawton House Library
- Visits to St Nicholas Church for services and learning
- Local sports fixtures both during school hours and at set after school times
- Weekly swimming lessons
- Local visits to the local park, museums, churches, libraries, woodlands and other locally used outdoor sites, etc.
- Town/village walks & the immediate countryside
