PH Sports Extra-Curricular Coaching Club – Girls’ Football

We would really love your child to take advantage of this fantastic coaching, which the school will cover the costs of, and for them to represent our school at the Alton Schools Events. We have provided this coaching so that children feel they can try something new, without fear of having never done it before, or not knowing. It will provide them with time to practice and learn something new! It is, of course, also open to children who already love the sport and want to progress their skills further.

Please note that there is an expectation that if your child takes a space in this free club and receives coaching, that they will represent our school at the subsequent Alton Sports Training and Competition Events.

Club 3 – Years 5 and 6 Girls’ Football Coaching
