Girls' football letter (Year 5/6)

Dear Parent/Guardian

I am delighted to inform you that your daughter has been given an opportunity to take part in in the Alton Primary Schools football training and competition events (details below).

Training:

Date: Thursday 24th January 2019

Time: 4.00pm – 5.00pm

Venue: Eggar's Secondary School

Meeting point: Top field (by football goals)

Competition:

Date: Thursday 31st January 2019

Time: 12.30 – 3.30pm

Venue: Anstey Park

Meeting point: 3G Astro Turf Pitches

Parking: There is one main car park at Anstey Park by the Rugby club.

This training session is an opportunity to practise some football skills and will include plenty of opportunities to train and work with children from their school and other schools, before the competition next week. The session will also include a practise game with full rules.

The girls' football competition will run in the afternoon during school time. Each team will play other schools in a small tournament. All rules will be explained on the day. All children will receive medals at the end of the competition. Please make sure your child has football boots, shin pads, football socks and a drink.

For both training and the competition, please make sure your child has football boots, shin pads, football socks and a drink. For the competition we will endeavour to use our school football kit.

You will need to provide transport for your child to and from both events. There will not be a teacher from school attending the training session, so you will need to stay and are responsible for your child whilst at the training session. Miss Tilley will be attending the competition event the following week.

Please fill in the return slip below and return it to the school office as soon as possible so that we have time to collate slips and confirm our attendance at the tournament prior to the Alton Sports Deadline. As your child has been participating in the PH Sports Club they should be attending these events as well.

Yours faithfully

Mr L Maliphant
