Dear Parents,

11<sup>th</sup> March 2019

**Year 5 Class Amery Hill Design and Technology Trip – Wednesday 20<sup>th</sup> March**

A really exciting opportunity has come up for Year 5 to visit Amery Hill Secondary School to make Viking shields. We have been invited by Mr Hainsworth, the leader of the Design Technology department, to his workshop on the afternoon of Wednesday, 20<sup>th</sup> March.

We will be collected after lunch and travel in Amery Hill's minibus (driven by Jim Lancaster, our Caretaker, who also works in the Technology Department at Amery Hill), use the workshop and tools, and be driven back to school by the end of the day. If you would like your child to take part **please complete the permission slip below and return it to the school office by Friday 15<sup>th</sup> March.**

We do need some adult help at the workshop, if you would like help please say so on the permission slip attached and state whether you have a valid DBS with the school. If you can help you need to be able to get to Amery Hill School separately as the minibus will be full. We will meet you at the Amery Hill in the afternoon, at a time to be agreed next week. We will take all the children back with us at the end of the afternoon to be collected from school as usual - this is a matter of safeguarding.

There is no voluntary contribution required for this trip.

It is hoped that the children will have a really positive time at Amery Hill

Mrs Ross  
Oak Class Teacher
