NEWSLETTER – 3rd May 2019

What a fantastic week we have had! We have had Jonathan Paterson in, an actual team GB athlete! We have also had year 5 children participating in the Bikeability training, which is such a great opportunity to learn an important life skill. We also saw a few of our children participating in a tri-golf competition at Alton College – well done to the girls who attended! It seems that Chawton really are a very fit and healthy school! My second week has been equally as wonderful as my first and I can see what a special school Chawton is. Remember that this weekend is a bank holiday, so we wish you a wonderful weekend and look forward to seeing you all in school again on Tuesday.

Marcella Dobson

Jonathan Paterson - GB Athlete Visit

Jonathan Paterson came into school to motivate the whole school to become healthier by increasing the amount of daily exercise that they do. We had a hall full of children undertaking circuit training. It was great! Very loud and very busy, but the children really enjoyed it. Jonathan then gave a very motivational presentation to the children, reminding them that if they could do all four of the circuit activities for one minute each day – just four minutes of exercise, they would feel better for it! I wonder how many will keep it up! The four activities that the children did were: spotty dogs, mountain walkers, star jumps and push ups.

Remember to bring your sponsorship forms and sponsorship money in to school by Friday 10th May.

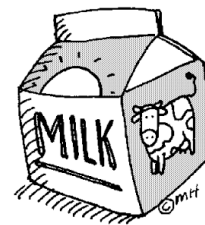

Chicks hatched in Oak Class

As of today we have eight hatched chicks in our Oak Class bird box. The first chick hatched yesterday and was named 'Chicketty' by the children. We will keep you updated as more chicks hatch.

School Milk

Children under the age of five receive free school milk. Milk for children over the age of five is subsidised and costs around £14 per term. If you would like to pay for your child to receive school milk after they turn five you can register them at <https://www.coolmilk.com/> or you can complete the form attached with this newsletter and post it to FREEPOST, Cool Milk.

**Notices**

STEM Club – Please note that due to Open Classrooms there is no STEM Club on Thursday 9th May.

Head lice – we have had reports of nits in school this week. Please check your child's hair and treat if necessary.
