Winchester Cathedral Y6 Leavers' Service

On Thursday, our Year 6 pupils were fantastic ambassadors for our school, visiting Winchester Cathedral for the Diocesan Leavers' Service. The day focused on the theme of stewardship and incorporated the role bees play in protecting our environment by pollinating many plants. Each school created a canvas, which are currently being displayed at the Cathedral, to raise awareness about the importance of looking after our bees. The Leavers' Service itself reflected on the journey of pupils through primary school and looked forward to new beginnings at secondary school and beyond.

Sports Day – Tuesday 25th June

We are looking forward to welcoming you to our Sports Day on Tuesday from 1:15pm on the cricket pitch. As last year, children will be organised into House Teams and will rotate around different activities led by staff, gaining points at each activity. After they have completed all activities they will sit on the inside of the running track and parents are asked to sit on the outside of the track, nearest the fence. All children who want to run in sprint races will race, earning stickers for their respective placings. There will then be the year group relays, which count towards the final total of points from the whole afternoon to win the coveted Sports Day Cup!

If the weather is hot please do ensure that your child comes into school with a water bottle, a hat and wearing sun cream.

Hopefully it will be a fantastic afternoon of sport and fun.

Race for Life – Friday 28th June

Sponsorship forms have been sent home this week for our Race for Life. This year we have an online Just Giving page, please click on the link below

<https://fundraise.cancerresearchuk.org/page/chawton-ce-primary-school-1>. If you are able to pay online it would be very helpful. You can also pay by cheque payable to 'Cancer Research UK'. Please return sponsorship forms and payments to the **office no later than Friday 5th July**.

On Friday children can come to school wearing pink (clothes they are able to run in) and in the afternoon the classes will come over to the field at 2:00pm; we would love for parents to meet us on the cricket pitch. As with Sports Day, children will sit in their year groups on the inside of the running track and we ask that parents sit opposite nearest the fence. Each year group will, in turn, run a lap of the field as their 'race for life' – parents are more than welcome to join their children. There will be a medal for each child as they cross the line. We can't wait to see you there. Last year we raised over £1000!

Good luck to Lily and Caitlin who are all set for their marathon 26-mile bike-packing adventure this weekend, kindly supported by Molly, Lily J and Florence, and raising funds for JDRF – a very special charity that helps children with diabetes, and looks for cures and prevention. We want to thank everyone who donated at Lily’s stall at the Games Evening last week. To find out more, go to their page at: <https://www.justgiving.com/fundraising/lilycaitlin>

Message from Chawton Parish Council

EH767 - Mounters Lane, Alton - Carriageway Resurfacing

As part of Operation Resilience, Hampshire County Council’s programme to make Hampshire’s roads more resilient to the effects of extreme weather and heavy traffic, this letter is to advise of upcoming carriageway resurfacing works on Mounters Lane, Alton, from Winchester Road to the end of the cul-de-sac. Works include resurfacing the turning head at the junction of Winchester Road and Mounters Lane.

The works are programmed to start Monday 24th June 2019 and are expected to last for 1 day, during which time the road will be closed to vehicular traffic between the hours of 09:30-16:00hrs. Prior to the resurfacing, it will be necessary to carry out vegetation clearance. These works are programmed to start on Monday 17th June 2019 and are expected to last for 3 days. The road will be open during evenings and weekends.

The above timescales are weather dependent, any significant changes to the scheduled dates will be made clear on the yellow sign boards located at the works limits.

In order to help us to complete the work as quickly as possible, please ensure that no vehicles are parked on the road on the days of the resurfacing. **Please be aware any vehicles left parked on the road that prevent the works taking place, face the risk of being removed.**

For your safety and that of our workforce, we are unable to guarantee vehicular access to and from your property during working hours. Pedestrian access will always be available.

Please note that the underpass will be closed 24th June 2019 from 0930 to 1530
