Dear Parent

We will continue to offer music lessons for the forthcoming academic year. If your child is interested in learning to play an instrument then please complete the attached slip so that we can note your requirements. A waiting list will be kept if there are no vacancies in the music classes you request.

Currently we are able to offer tuition in **Guitar** and **Violin** (priority will be given to KS2 children).

Under a service level agreement with Hampshire Music Service, we buy in time based on the number of children who are interested and the availability of the music teachers. We, therefore require a commitment for the ***whole school year (September 2019 to July 2020)***. Should your child wish to withdraw from lessons we still require the whole payment unless we have a child already on the waiting list at the same ability level that could easily slot into that vacancy.

Instruments can be hired through the Hampshire Music Service. Please enquire, if you would like to do this, at

<https://www.hants.gov.uk/educationandlearning/hampshireremusic/instrumenthire>

When learning any instrument commitment is vital and for your child to progress practice is required. Music lessons costs have recently been reviewed and will be £403.50 for the whole academic year (£134.50 per term), which remains excellent value for money – a note requesting payment will be sent home at the beginning of each term. Once we have confirmed your child's place then a contract will be sent home for signature, committing you to payment for the year.

If you have any further queries, please do not hesitate to speak to me. The reply slip **MUST** be returned by **Friday 10th May 2019**.

Yours sincerely

Ms Marcella Dobson
