Headteacher: Mrs. Sarah Goldsworthy

Dear Year 1 and 2 parents,

In my previous role as an English Teaching and Learning Advisor for Hampshire, I started a project to support teachers across Hampshire and the Isle of Wight in making the teaching of phonics interactive and engaging.

Since my departure from the team, two of my colleagues have picked this project up and are now at the point of trialing some of these games and would like to add some photographs to each game so that they are easy to interpret and play. They have asked for my assistance with this.

Therefore, on Friday 6th March, Hannah Satchel and Chris Cheal will be coming in to spend some time with our year 1 and year 2 children. They will let them have a go at playing the games, evaluating them and photographing the children having a go at each of the games. In exchange for our co-operation with this, we will have free access to the games and the cards which will be produced alongside it.

As this will be a product which will be shared across many schools, it is important that they have consent from each child's parents. I have attached the consent form to this letter and would ask that you return these by Wednesday 4th March at the latest *if* you are happy for your child to be involved.

If you have any questions about this, please do come and speak to me.

Thank you for your assistance with this exciting project.

Kind regards

Mrs Sarah Goldsworthy
Headteacher
